I. INTRODUCTION

Hyloris Pharmaceuticals SA (“**Hyloris**” or the “**Company**”) attaches great value to good corporate governance and is aware that good governance is an important factor in investment decisions for all stakeholders of the Company.

On 9 May 2019, the Belgian Corporate Governance Committee published the Belgian Code on Corporate Governance 2020 (the “**CGC**”), which is a code of best practice applying to listed companies on a non-binding basis (“comply or explain” approach).

Pursuant to Article 3:6, §2, 1° of the Belgian Code of Companies and Associations (the “**CCA**”) and the Royal Decree of 12 May 2019 on the Corporate Governance Code to be complied with by listed companies, the Company must apply the CGC (“comply or explain” approach). As required by the CGC, the Company has drawn up this Corporate Governance Charter in order to describe the main aspects of its governance, such as its governance structure, the terms of reference of the Board of Directors (the “**Board**”) and its committees and other important topics.

The Corporate Governance Charter, together with the articles of association of the Company (the “**Articles of Association**”), are available on the Company’s website, indicating the date of the most recent update. The Corporate Governance Charter will be updated as and when changes are implemented.

In addition, in its annual report, the Company will include a Corporate Governance Statement (“**Corporate Governance Statement**”) describing all relevant information on events affecting its governance during the year under review, including all material amendments made to the Company’s Corporate Governance Charter. If necessary, the Board will provide explanations on where it has departed from the provisions laid down in this Corporate Governance Charter and why it has done so.

The remuneration report forms a separate part of the Corporate Governance Statement and must contain the information listed in Article 3:6, §3 of the CCA.

Titles used in this Charter are used for clarity purposes only and are not to be used for interpretation purposes. Definitions and concepts referred to in the plural also relate to the singular and vice versa. Words and definitions in the masculine also relate to the feminine and vice versa. Reference to a law also means to any amendments, replacements, extensions, etc. to such law.

The Company's shares can be held as either registered shares or dematerialised shares, at the discretion of the shareholders.

For registered shares, the names and addresses of all shareholders or holders of a right of usufruct or pledge are recorded in the shareholders' register. Upon request, holders of registered shares will receive an extract from the register at their expense.

Holders of registered shares may request that their registered shares be converted into dematerialised shares.

Any costs incurred by the conversion of shares into another form will be borne by the shareholder. Any requests should be made in writing, duly signed and sent by ordinary mail to the registered office of the Company for the attention of the Company Secretary.

D. SHAREHOLDERS' RIGHTS

1. SHARES

All shares are ordinary shares and confer equal rights. Each share gives right to one vote.

2. GENERAL SHAREHOLDERS' MEETING

The Company encourages its shareholders to participate in the General Shareholders' Meetings. The Board should encourage shareholders to communicate their evaluation of the company's corporate governance prior to the General Shareholders' Meetings and at least through participation in the General Shareholders' Meeting.

(a) DATES AND PLACES

The General Shareholders' Meetings are held at the registered office of the Company or at the place determined in the convening notice.

The Annual General Shareholders' Meeting is held every year on the second Tuesday of June, at 2:00 pm (Belgian time). If this date is a legal holiday, the meeting is held on the next Business Day.

Special or extraordinary General Shareholders' Meetings may be convened as often as the Board or the statutory auditor deems necessary.

In addition, shareholders representing at least 10% of the issued capital may request that General Shareholders' Meetings be convened. The request must specify the items to be discussed, and be addressed to the Board, which is obliged to convene the meeting within three weeks as of receiving the request.

In accordance with Article 7:130 of the CCA, one or more shareholders holding at least 3% of the Company's share capital have the right to add new items on the agenda of a General Shareholders' Meeting and to file proposals of decision concerning items that were or will be on the agenda of a General Shareholders' Meeting. Any shareholder(s) who exercise(s) this right must comply with the following 2 conditions for the proposal(s) to be eligible for consideration at the General Shareholders' Meeting: (i) they must prove that they hold the above mentioned percentage of shares on the date of their request (either by producing a certificate of registration of those shares in the Company's

shareholder register, or by producing a certificate from a recognized account holder or by a clearing institution evidencing that the relevant number of dematerialised shares are registered in the shareholder's name in the accounts of such authorised account holder or clearing institution); and (ii) they must demonstrate that they still hold 3% of the Company's share capital on the registration date. The Company must receive the requests at the latest 22 days prior to the date of the General Shareholders' Meeting. A revised agenda will be published by the Company at the latest 15 days prior to the date of the General Shareholders' Meeting.

(b) CONVOCAATION

An invitation is sent to the holders of registered securities as well as to the directors and the statutory auditor by letter or by email (if they have communicated an email address to the Company for communication purposes) at least 30 days prior to the meeting.

The announcement for the General Shareholders' Meeting is also published in (i) the Belgian State Gazette, (ii) in media of which it reasonably can be expected that it will ensure an effective distribution of the information among the public in the European Economic Area and which is quickly and in a non-discriminatory manner accessible, and (iii) in one Belgian newspaper at least 30 days prior to the meeting. In the case of the Annual General Shareholders' Meeting taking place at the location, day and hour mentioned in the Articles of Association and having an agenda limited to the discussion of the annual accounts, the annual report and the statutory auditor's report, the vote on the discharge to be given to members of the Board and to the statutory auditor, as well as the vote on the items mentioned under Article 7:149 CCA, the Company is exempted from the obligation to publish the announcement in a Belgian newspaper (it being understood that the publication under items (i) and (ii) here above will remain required).

The agenda and other relevant information that should be communicated to the holders of securities are published on the Company's website on the day of the publication of the convocation. This information can also be consulted at the registered office, where a copy can be obtained.

(c) LODGING OF SECURITIES

The 14th day prior to the shareholders meeting, at 24:00 (Belgian time) constitutes the registration date.

A holder of shares can only participate in a General Shareholders' Meeting and exercise its voting right on the basis of the accounting registration of its shares in its name on the registration date (and irrespective of the number of shares the shareholder holds at the date of the General Shareholders' Meeting). For registered shares, this is the recordation of the shares in the shareholders register, for dematerialized shares, this is the recordation of the shares on the accounts of an authorised account holder or a settlement body.

The shareholder must inform the Company (or any person appointed for this purpose by the Company) of its intention to participate in the meeting at the latest on the 6th day prior to the date of such meeting.

The Board will maintain a register in which it records the name and address (or registered offices) of each shareholder that has duly expressed its intention to participate in the General Shareholders' Meeting, the number of shares it held on the registration date and with which it has expressed the intention to participate in the meeting, as well as a description of the proof indicating that such shareholder held the relevant number of shares at the registration date.

The same procedure applies *mutatis mutandis* for the holders of non-voting shares, non-voting profit certificates, convertible bonds, subscription rights or depositary receipts issued with the cooperation of the Company who may attend the general meeting, but only in an advisory capacity.

(d) LODGING OF PROXIES

A shareholder may grant a proxy to any other person, in accordance with Article 7:143 CCA, and this for one or more specific General Shareholders' Meetings, or for meetings which will be held during a specific period. Any person may, as a proxy holder, represent multiple shareholders. Any grant of proxy must be received by the Company at the latest on the 6th day prior to the General Shareholders' Meeting, in writing or electronically. The Company will only accept such proxy forms which were provided by shareholders that comply with the rules regarding the lodging of securities.

(e) REMOTE VOTING

The notice convening the General Shareholders' Meeting may allow shareholders to vote remotely in relation to the General Shareholders' Meeting, by sending a paper form and/or via the Company's website. The form shall be made available by the Company. The signed paper form must be received by the Company at the latest on the 6th day prior to the General Shareholders' Meeting. Voting via the Company's website may occur until the last calendar day prior to the General Shareholders' Meeting.

(f) REMOTE PARTICIPATION

The notice convening the General Shareholders' Meeting may allow shareholders to participate in the General Shareholders' Meeting remotely.

(g) CHAIR

The General Shareholders' Meetings are chaired by the Chair of the Board or, if no director is present, by the shareholder with the most voting rights

If the number of persons present so requires, the Chair of the meeting may choose a secretary, who must not be a shareholder, and, on the proposal of the Chair of the meeting, the meeting may choose two tellers, who must not be shareholders.

(h) VOTES

Each share confers the right to cast one vote.

Except in cases stipulated by law or by the Articles of Association, the General Shareholders' Meeting resolves validly whatever the number of shares present or represented, and on a simple majority of the votes cast. For certain Extraordinary General Shareholders' Meetings, the law stipulates a quorum

of 50% of the share capital present or represented. Failing this, a new General Shareholders' Meeting must be convened, which resolves validly whatever the number of shares present or represented. Depending the subject matter, a qualified majority as laid down by law applies.

(i) MINUTES

Copies of the minutes, or extracts thereof, can be signed either by the Chair or by 2 directors or by a person entrusted with daily management powers.

The minutes of the meetings, including the results of the votes on the resolutions taken, will be posted on the Company's website within 15 days after the meeting.

3. RIGHTS TO DIVIDENDS

(a) DIVIDEND POLICY

The Company's dividend policy will be determined by, and may change from time to time by determination of, the Company's Board. Any declaration of dividends will be based upon the Company's earnings, financial condition, capital requirements and other factors considered important by the Board. Belgian law and Articles of Association do not require the Company to declare dividends.

Currently, the Board expects to retain all earnings, if any, generated by Company's operations for the development and growth of its business and does not anticipate paying any dividends to the shareholders in the foreseeable future.

The maximum amount of the dividend that can be paid is determined by reference to the Company's stand-alone statutory accounts prepared in accordance with generally applicable accounting rules and principles in Belgium (Belgian GAAP).

In addition, under Belgian law and the Company's Articles of Association, before it can pay dividends, the Company must allocate an amount of 5% of its Belgian GAAP annual net profit ('*bénéfices nets*') to a legal reserve in its stand-alone statutory accounts until the reserve equals 10% of the Company's share capital. The Company's legal reserve currently does not meet this requirement. Accordingly, 5% of its Belgian GAAP annual net profit during future years will need to be allocated to the legal reserve, further limiting the Company's ability to pay out dividends to its shareholders.

(b) INTERIM DIVIDENDS

According to Article 39 of the Articles of Association of the Company, the Board can, in compliance with the conditions as provided by the CCA, decide to pay interim dividends.

E. COMMUNICATION WITH SHAREHOLDERS

The Board should ensure an effective dialogue with shareholders and potential shareholders through appropriate investor relation programmes, in order to achieve a better understanding of their

objectives and concerns. Feedback of such dialogue should be given to the Board, on at least an annual basis.

IV. BOARD: TERMS OF REFERENCE

These Terms of Reference have been adopted by the Board to clarify its role and responsibilities. These principles and policies are in addition to and are not intended to change or interpret any law or regulation or the Articles of Association of the Company. The Board will revise these Terms of Reference from time to time to adopt these to its evolving needs.

3. ACCESS TO MANAGEMENT

Directors have full and free access to officers and employees of the Company. Any meetings or contacts that a director wishes to initiate may be arranged through the CEO or, on an exceptional basis, directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Company and will, if not inappropriate, copy the CEO in on any written communications between a director and an officer or employee of the Company.

The Board and any Board Committee, after consultation with the Chair of the Board, has the power to engage experts or advisors, including independent legal counsel, deemed appropriate by the Board (or the relevant Board Committee), without consulting or obtaining the approval of any officer of the Company. The Company will provide for appropriate funding, as determined by the Board, for payment of reasonable compensation to any such expert, advisors or counsel retained by the Board (or the Board Committee).

The Board has the authority and the duty to use adequate, necessary and proportional means in order to fulfil its responsibilities. The Board as a whole is collectively accountable to the Company for adequately exercising its authority, powers and duties.

B. COMPOSITION, NOMINATION PROCEDURE AND INDUCTION

1. COMPOSITION OF THE BOARD

The Articles of Association state that the number of directors of the Company, who may be natural persons or legal entities and who need not be shareholders, must be at least 3.

The composition of the Board should be (i) appropriate to the Company's purpose, its operations, phase of development, structure of ownership, (ii) on the one hand, small enough for efficient decision-making and, on the other hand, large enough for its directors to contribute experience and knowledge from their different fields and for changes to the Board's composition to be managed

without undue disruption and (iii) determined so as to gather sufficient expertise in the Company's areas of activity as well as sufficient diversity of skills, background, age and gender.

The Board should comprise a majority of non-executive directors and at least three of them must be independent directors. By 1 January 2026, at least one third of the members of the Board should be from a different gender than that of the other members.

Adequacy of size and composition will be regularly assessed by the Board on the recommendation of the Remuneration and Nomination Committee. The Board's composition should ensure that decisions are made in the corporate interest.

The curricula vitae of the directors and directorship candidates are available for consultation on the Company's website. A list of the members of the Board, indicating which Board members are independent directors, is disclosed in the Corporate Governance Statement.

2. NOMINATION PROCEDURE

For any new appointment to the Board, the skills, knowledge and experience already present and those needed on the Board will be evaluated and, in the light of that evaluation, a description of the role and skills, experience and knowledge needed will be prepared (a 'profile').

When dealing with a new appointment, the Chair of the Board and the Chair of the Remuneration and Nomination Committee must ensure that, before considering the candidate, the Board has received sufficient information such as the candidate's curriculum vitae, an assessment of the candidate based on the candidate's initial interview, a list of the positions the candidate currently holds, and, if applicable, the necessary information for assessing the candidate's independence.

The Remuneration and Nomination Committee leads the nomination process and recommends suitable candidates to the Board. The Board is responsible for proposing members for nomination to the General Shareholders' Meeting.

In accordance with Article 7:88, §1 the CCA and the Articles of Association of the Company, when a director's seat becomes vacant, the remaining directors have the right to co-opt a new director, in which case the next General Shareholders' Meeting must confirm the co-opted director's mandate. If the mandate is confirmed by the General Shareholders' Meeting, and unless the General Shareholders' Meeting decides otherwise, the co-opted director will carry out the mandate of his/her predecessor for its remaining duration. In absence of such confirmation, the term of office of the co-opted director ends at the end of such General Shareholders' Meeting, without prejudice to the regularity of the composition of the Board up to that point in time.

Whenever a legal entity is appointed as a director, it must appoint an individual as its permanent representative, who will carry out the office of director in the name and on behalf of that legal entity.

Any proposal for the appointment of a director by the General Shareholders' Meeting should include a recommendation from the Board based on the advice of the Remuneration and Nomination Committee. This provision also applies to shareholders' proposals for appointment.

The proposal must specify the proposed term of the mandate, which must not exceed 4 years. It will be accompanied by relevant information on the candidate's professional qualifications together with a list of the positions the candidate already holds. The Board will indicate whether the candidate satisfies the independence criteria.

3. *DIRECTOR QUALIFICATIONS*

At least 3 directors should qualify as independent.

The Board's standards for determining the independence of a director are set forth in Schedule A ("Independence Standards").

Directors should uphold the highest standards of integrity, probity, professional ability and judgment and should be committed, in conjunction with the other directors, to serving the long-term interests of the Company. Directors should engage actively in their duties and should be able to make their own sound, objective and independent judgements when discharging their responsibilities

Each director individually should have skills, knowledge and experience that are complementary to the need of the Company, and should bring to the Board an inquisitive and objective perspective that enables him/her, if needed, to challenge management. Taken as a whole, the Board should be composed out of persons who, to a certain extent, complement each other, and represent various areas of skill and expertise.

Non-executive directors should spend the time and meet as frequently as necessary to properly discharge their responsibilities. They should be made aware of the extent of their duties at the time of their application, in particular as to the time commitment involved in carrying out those duties. They should not consider taking on more than five board membership in listed companies, including the directorship in the Company. Changes to their other relevant commitments and their new commitments outside the Company should be reported to the Chair of the Board as they arise.

4. *TERM LIMITS*

Appointments are generally made for a maximum term of four years.

5. *DIRECTOR INDUCTION*

The Chair of the Board will ensure that newly appointed directors receive an appropriate induction to ensure their early contribution to the Board. The induction process should help the directors to familiarize with their responsibilities as directors, and with the fundamentals of the Company, such as its governance, values, key policies, strategic plans, business challenges, finance, its significant financial, accounting and risk management issues and systems, its internal control systems, its compliance programs, its Executive Management and its independent auditors.

For directors joining Board Committees, the induction provided must encompass a description of their specific role and duties and any other information linked to the specific role of that Committee.

Board members should update their skills and improve their knowledge of the Company to fulfil their roles both on the Board and on the Board committees they serve on. The Company will for that purpose make the necessary resources available.

C. ORGANISATION

1. BOARD MEETINGS

The Board will meet as frequently as the interest of the Company dictates, but in any case not less than four times per year. Meetings will be called by the Chair of the Board or the most senior director replacing him/her, whenever required in the interests of the Company. A meeting will be called whenever requested by 2 directors.

In principle, at least five-days' notice of a Board meeting must be given to the Board members. Where duly justified by an emergency and by the corporate interest of the Company, this notice period may be reduced or waived by the unanimous written consent of all directors. If all directors are present or represented at the meeting, they will be deemed to have waived the above notice period and any other formalities that may apply (e.g. providing in advance documents to be decided upon by the Board).

The Board may meet by conference call, video conference or by any similar means in which all persons participating in the meeting can hear each other.

Moreover, resolutions may be adopted, without a meeting, by the unanimous written consent of all directors.

Each meeting is chaired by the Chair or, in his/her absence, by the most senior director (in age).

The Board may only validly deliberate and decide if at least a majority of its members are present or represented. A new meeting must be convened if such quorum is not reached. The second meeting may validly deliberate and decide on the items that were already on the agenda of the first meeting regardless of the number of directors present or represented, to the extent that at least two members of the Board are present. Any director may represent more than one other director. Resolutions are taken by a simple majority of the votes cast. The Chair of the Board does not have a casting vote in the event of a tied vote.

The Chair should ensure that there is sufficient time for consideration and discussion before decision-making. Once decisions are taken, all Board members should be supportive of their execution.

The Chair, assisted by the Company Secretary, should ensure that Board members are provided with accurate, concise, timely and clear information before the meetings and, where necessary, between meetings so that they can make a knowledgeable and informed contribution to Board discussions. All Board members should receive the same board information.

The number of Board and Board Committee meetings and the individual attendance record of directors are disclosed in the Corporate Governance Statement.

2. AGENDA ITEMS FOR BOARD MEETINGS

The Chair sets the agenda, in consultation with the CEO and the Company Secretary. The agenda should specify which topics are for information, for deliberation or for decision-making purposes.

The Chair ensures that a detailed agenda and, to the extent feasible, supporting documents and proposed resolutions will be provided to the directors approximately 5 days prior to each Board meeting.

3. MINUTES

The Company Secretary drafts minutes of each meeting summarizing the discussions, specify the decisions taken and note diverging views expressed by Board members. The names of the interveners should only be recorded if specifically requested by them.

4. CONFLICTS OF INTEREST

Directors should arrange their personal and business affairs so as to avoid any direct or indirect conflicts of interest with the Company. Any director must abide with the rules on conflicts of interests as set forth in Schedule H (“Conflicts of interests”) to this Corporate Governance Charter.

D. REPRESENTATION OF THE COMPANY BY ITS DIRECTORS

The Company is validly represented:

- by the Board acting as a collegiate body,
- by any two of its directors acting jointly,
- for acts within the scope of the daily management, by any person to whom powers of daily management are delegated by the Board, acting individually,
- for acts within the scope of their specific powers, by special representatives who are appointed by the Board.

The Board has delegated the powers of daily management to the CEO, who is also a director.

E. EVALUATION OF THE BOARD

Under the lead of the Chair and assisted by the Remuneration and Nomination Committee (and possibly also by external experts) the Board will on a continuous basis and at least every three years conduct a self-evaluation in respect of its performance, size, composition, functioning and those of its Committees, as well as in respect of its interaction with the Executive Management.

The evaluation assesses how the Board and its Committees operate, checks that important issues are effectively prepared and discussed, evaluates each director's contribution and constructive involvement, and assesses the composition of the Board and its Committees against the desired composition. This evaluation takes into account the members' general role as director, and specific roles as Chair or member of a Committee of the Board, as well as their relevant responsibilities and time commitment.

The non-executive directors must on a continuous basis assess their interaction with the Executive Management. In this respect, non-executive directors will meet at least once a year without the CEO and the other executive directors.

At the time of a re-election, the directors' commitments and contributions are evaluated within the Board, and the Board ensures that any appointment or re-election allows for an appropriate balance of skills, knowledge and experience to be maintained on the Board. The same applies at the time of appointment or re-election of the Chairs (of the Board and of the Board Committees).

The Board will act on the results of the performance evaluation by recognising its strengths and addressing its weaknesses. Where appropriate, this will involve proposing new members for appointment, proposing not to re-elect existing members or taking any measure deemed appropriate for the effective operation of the Board.

The Corporate Governance Statement discloses information on the main features of the evaluation process of the Board, of its Committees and its individual directors.

At least once every five years, the Board should furthermore review whether the chosen governance structure is still appropriate, and if not, it should propose a new governance structure to the General Shareholders' Meeting.

F. DIRECTOR REMUNERATION

The Board should determine, upon the advice of the Remuneration and Nomination Committee, a remuneration policy, to be approved by the General Shareholders' Meeting, taking into account the overall remuneration of the Company, and designed to achieve the following objectives:

- to attract, reward and retain the necessary talent;
- to promote the achievement of strategic objectives in accordance with the company's risk appetite and behavioural norms; and
- to promote sustainable value creation.

The Board will prepare a remuneration policy pursuant to Article 7:89/1 CCA and intends to submit this policy to the General Shareholders' Meeting approving the annual accounts for the financial year ending on 31 December 2020. Upon each material change to the remuneration policy and in any case at least every four years, the remuneration policy will be submitted to the General Shareholders' meeting for approval. The Shareholders' vote on the remuneration policy is binding. Remuneration will only be paid in accordance with the remuneration policy approved by the General Shareholders' Meeting. If the remuneration policy is not approved, remuneration will be paid in accordance with the most recently approved remuneration policy or, if there is no approved remuneration policy, the existing remuneration practices.

The non-executive directors may receive a fixed remuneration in consideration for their membership of the Board and their attendance at the meetings of Committees of which they are members.

None of the executive directors will receive any remuneration in consideration for their membership of the Board.

The Remuneration and Nomination Committee recommends the level of remuneration for non-executive directors, subject to approval by the Board and, subsequently, by the General Shareholders' Meeting. The Remuneration and Nomination Committee benchmarks directors' compensation against peer companies to ensure that it is competitive.

G. NO DIRECT INTERVENTIONS IN OPERATIONS OF THE COMPANY

Non-executive members of the Board must not intervene directly in the operations of the Company other than in exceptional circumstances and on a "needs only" basis.

Non-executive members of the Board will not ordinarily give instructions to, or interfere with, the activities of Company management and employees. As an exception to this principle, members of the Audit Committee must at all times have full and free access to the CFO and subject to prior notice to the CEO and/or CFO, any other employee to whom they may require access in order to carry out their responsibilities (however, without the CEO and/or CFO, having the right to oversee or attend these meetings).

H. DUTY OF CONFIDENTIALITY

Directors have access to all corporate information needed to fulfil their fiduciary duties. This right of access is subject, in the case of personal information concerning employees of the Company, to applicable privacy laws. The Company Secretary is available to supply the requested information.

Board members should not use the information obtained in their capacity as a Board member for purposes other than for the exercise of their mandate. Board members should handle the confidential information received in their capacity as a Board member with utmost care.

Members of the Board must treat all information with the necessary discretion and, in the case of confidential information, with the appropriate secrecy. Confidential information must not be disclosed outside the Board, made public or otherwise made available to third parties, even after resignation from the Board, unless it has been made public by the Company or it has been established that the information is already in the public domain.

I. BOARD INTERACTION WITH INSTITUTIONAL INVESTORS, ANALYSTS, MEDIA, CUSTOMERS AND MEMBERS OF THE PUBLIC

Except where directed by the CEO or CFO of the Company, communications on behalf of the Company with the media, securities analysts, stockbrokers and investors must only be made by specifically designated representatives of the Company. If a director receives any inquiry relating to the Company from the media, securities analysts, brokers or investors, including informal social contacts, he/she should decline to comment and ask them to contact the Company's CEO or CFO.

J. CORPORATE GOVERNANCE IN THE ANNUAL REPORT

As set out in Article 3:6 of the CCA, each year the Board draws up a report in which they account for their management over the last year.

In accordance with Article 3:6, §2 of the CCA, this report will also contain the Corporate Governance Statement describing all relevant corporate governance events that took place during the year under review. This Corporate Governance Statement will include at least the elements listed in such Article 3:6, §2 of the CCA. If the Company does not fully comply with one or more provisions of the CGC, it will explain the reasons thereof in this Corporate Governance Statement.

A description of these deviations will be submitted to the Board at the initiative of the Company Secretary to verify the quality of each explanation.

V. CHAIR OF THE BOARD

The Chair of the Board provides leadership to the Board in discharging its duties and acts as a liaison between the shareholders, the Board and the Company. The Chair engenders a climate of trust, allowing for open discussions and constructive challenge.

The Chair of the Board should be a person trusted for their professionalism, independence of mind, coaching capabilities, ability to build consensus, and communication and meeting management skills.

The Chair is responsible for taking the lead, supported by the Board Committees if necessary, in all initiatives that are designed to ensure that the Board functions effectively and in line with the Terms of Reference as set out in Schedule B (“Role and Responsibilities of the Chair of the Board”) of this Corporate Governance Charter.

The Chair and the CEO should not be the same individual.

The Board should ensure that, when considering nominating the former CEO as a Board member, the necessary safeguards are in place so that the new CEO has the required autonomy. If the Board envisages appointing the former CEO as Chair, it should carefully consider the positive and negative aspects in favour of such a decision and disclose in the Corporate Governance Statement why such appointment will not hamper the required autonomy of the CEO.

In the absence of the Chair and for chairing discussions and decision-making by the Board on matters where the chair has a conflict of interest his/her tasks are performed by the most senior director.

VI. SECRETARY OF THE BOARD

The Board appoints a Company Secretary, who assists and advises the Board, the Chair of the Board, the Chairs of the Board Committees and all Board members and members of the Executive Management in exercising their general and specific roles and duties.

The Board ensures that the Company Secretary has the necessary skills and knowledge of corporate governance matters.

The core responsibilities of the Company Secretary include (i) supporting the Board and its Committees on all governance matters, (ii) preparing the Corporate Governance Charter and the

Corporate Governance Statement, (iii) ensuring a good information flow within the Board and its Committees and between the Executive Management and non-executive Board members, (iv) ensuring that the essence of the discussions and decisions at Board meetings are accurately captured in the minutes, and (iv) facilitating induction and assisting with professional development as required.

The Company Secretary is responsible to the Board and is accountable to the Board through the Chair of the Board on all matters relating to his/her core duties. The Company Secretary regularly reports to the Board, under the direction of the Chair, on how board procedures, rules and regulations are being followed and complied with. He has the authority and the duty to use adequate, necessary and proportional means in order to efficiently fulfil his/her responsibilities. Individual directors should have access to the Company Secretary. The Board may decide to replace the Company Secretary at any time.

Individual directors have access to the Company Secretary

VII. COMMITTEES OF THE BOARD

A. ROLE

A substantial portion of the analysis and preparatory work of the Board is done by standing Board Committees. The decision-making remains the collegiate responsibility of the Board, the Committees have an advisory function. They advise the Board in respect of decisions to be taken, give comfort to the Board that certain issues have been adequately addressed and, if necessary, bring specific issues to the attention of the Board.

B. COMMITTEES – TERMS OF REFERENCE

The Board will set up, in accordance with the CCA, an Audit Committee, a Remuneration and Nomination Committee. The Board may, from time to time, establish or maintain additional Committees, such as a Scientific Committee, as necessary or appropriate.

The role and responsibility of each Board Committee are determined by the Board and laid down in its Terms of Reference.

The Terms of Reference of the Audit Committee are set out in Schedule F (“Audit Committee – Terms of Reference”). The Terms of Reference of the Remuneration and Nomination Committee are set out in in Schedule E (“Remuneration and Nomination Committee – Terms of Reference”). The Terms of Reference of the Scientific Committee (in case established) are set out in Schedule G (“Scientific committee – Terms of Reference”).

The Board details the composition and operation of each Committee in the Corporate Governance Statement.

VIII. EXECUTIVE MANAGEMENT

The Company has opted for a “one-tier” governance structure. The Board has established an Executive Management. The Company’s Executive Management does not constitute a ‘*conseil de direction*’ within the meaning of Article 7:104 CCA.

The Executive Management discusses and consults with the Board and advises the Board on the day-to-day management of the Company in accordance with the Company’s values, strategy, general policy and budget, as determined by the Board.

Each member of the Executive Management has individually been made responsible for certain aspects of the day-to-day management of the Company and its business (in the case of the CEO, by way of a delegation from the Board; in the case of the other Executive Management members, by way of a delegation from the CEO). Each member of the Executive Management is individually competent to decide on the matters delegated to him/her. However, each member of the Executive Management will ensure that any decision to be taken by that member in respect of the powers so delegated that could be material to the Company’s day-to-day management (prior to taking such decision if possible, or otherwise after that decision has been taken) is presented and discussed at a meeting of the Executive Management.

The Board has determined the Terms of Reference of the Executive Management (as set forth in Schedule C (“Executive Management – Terms of Reference”) of this Corporate Governance Charter) and of the CEO in particular (as set forth in Schedule D (“Role and Responsibilities of the CEO and the Members of the Executive Management”) of this Corporate Governance Charter), detailing their respective role, responsibilities, duties, and powers, and for the Executive Management, its composition and operation.

IX. RULES PREVENTING MARKET ABUSE

With a view to preventing market abuse (insider dealing and market manipulation), and pursuant to the Market Abuse Regulation, the Board has established a Dealing Code. The Dealing Code describes the declaration and conduct obligations of directors and members of the Executive Management with respect to transactions in shares and other financial instruments of the Company. The Dealing Code sets limits on carrying out transactions in shares and other financial instruments of the Company, and allows dealing by the directors and the members of the Executive Management only during certain windows. The dealing code is attached hereto as Schedule I (“Dealing Code”).

To implement and monitor this Dealing Code, the Board will designate one or more Compliance Officers who will have the rights and obligations set out in the Dealing Code.

X. MISCELLANEOUS

A. CHANGES TO THE CORPORATE GOVERNANCE CHARTER

The Board may amend this Corporate Governance Charter from time to time without prior notice. It may also decide at any time to deviate from this Corporate Governance Charter subject to disclosure thereof in the Corporate Governance Statement of the annual Board report.

Any such modification will be published on the Company's website.

Third parties will not derive any rights from such modification or deviation.

B. PRIORITY

In the case of any contradiction between a provision of this Corporate Governance Charter and an applicable mandatory law or regulation, the law or regulation will supersede the provision of this Corporate Governance Charter.

C. GOVERNING LAW AND JURISDICTION

This Corporate Governance Charter is governed by and must be construed in accordance with Belgian law.

The Courts of Liège (Belgium) will have exclusive jurisdiction to settle any dispute that may arise out of or in connection with this Corporate Governance Charter.

A.**INDEPENDENCE STANDARDS**

A director in a listed company is considered to be independent if he/she does not have any relationship with the relevant company or with an important shareholder of the relevant company that compromises his/her independence, and that if a director is a legal entity, such independence must be assessed both on the level of the legal entity and on the level of its permanent representative, which is the general independence criterion laid down in Article 7:87, §1, subsection 1 CCA,

Article 7:87, §1, subsection 2 CCA further states that in order to verify whether a candidate director meets this general independence criterion, the specific independence criteria set out in (provision 3.5 of) the CGC are applied, and a candidate who meets these criteria is presumed to be independent, unless proven otherwise.

Provision 3.5 of the CGC provides for the following specific independence criteria in order for a director to be able to be qualified as an independent director:

1. Not be an executive, or exercising a function as a person entrusted with the daily management of the Company or a related company or person, and not have been in such a position for the previous three years before their appointment. Alternatively, no longer enjoying stock options of the company related to this position;
2. Not have served for a total term of more than twelve years as a non-executive board member;
3. Alternatively, no longer enjoying stock options of the Company related to this position;
4. Not be receiving, or having received during their mandate or for a period of three years prior to their appointment, any significant remuneration or any other significant advantage of a patrimonial nature from the company or a related company or person, apart from any fee they receive or have received as a non-executive board member;
5. Not hold shares, either directly or indirectly, either alone or in concert, representing globally one tenth or more of the Company's capital or one tenth or more of the voting rights in the Company at the moment of appointment; (b) Not having been nominated, in any circumstances, by a shareholder fulfilling the conditions covered under (a);
6. Not maintain, nor have maintained in the past year before his/her appointment, a significant business relationship with the Company or a related company or person, either directly or as partner, shareholder, board member, member of the senior management (as defined in Article 19,2° of the law of 20 September 1948 regarding the organization of the business industry) of a company or person who maintains such a relationship;
7. Not be or have been within the last three years before their appointment, a partner or member of the audit team of the Company or person who is, or has been within the last three years before his/her appointment, the external auditor of the Company or a related company or person;

8. Not be an executive of another company in which an executive of the Company is a non-executive board member, and not have other significant links with executive board members of the Company through involvement in other companies or bodies;
9. Not have, in the Company or a related company or person, a spouse, legal partner or close family member to the second degree, exercising a function as board member or executive or person entrusted with the daily management or employee of the senior management (as defined in Article 19,2° of the law of 20 September 1948 regarding the organization of the business industry), or falling in one of the other cases referred to in 1. to 8. above, and as far as point 2. is concerned, up to three years after the date on which the relevant relative has terminated their last term.

When the Board submits to the General Shareholders' Meeting the nomination of an independent director who does not meet the aforementioned specific independence criteria of the CGC, it should explain the reasons why it assumes that the candidate meets the general independence criterion laid down in article 7:87 of the CCA.

The Board will also disclose in its annual report which directors it considers to be independent directors. An independent director who ceases to satisfy the requirements of independence must immediately inform the Board thereof.

B. ROLE AND RESPONSIBILITIES OF THE CHAIR OF THE BOARD

A. ROLE

The Chair of the Board provides leadership to the Board in discharging its duties and acts as a liaison between the shareholders, the Board and the Company. He is responsible for taking the lead, supported by the Board Committees if necessary, in all initiatives that are designed to ensure the Board functions effectively and in line with the present Corporate Governance Charter.

The Chair of the Board is appointed by the Board on the basis of his/her knowledge, skills, experience and mediation strength. The Chair of the Board and the CEO should not be the same individual. If the Board envisages appointing the former CEO as Chair, it should carefully consider the positive and negative aspects in favour of such a decision and disclose in the Corporate Governance Statement why such appointment is in the best interest of the Company.

B. RESPONSIBILITIES

Without prejudice to the responsibilities of the Board as a whole, the Chair of the Board, in particular: Monitors whether the Company's governance, including its legal structure, is appropriate to accommodate the needs of the Company, and proposes changes to the Board when necessary;

- vii. Establishes a close relationship with the CEO, providing support and advice, while fully respecting the executive responsibilities of the CEO.

C. EXECUTIVE MANAGEMENT – TERMS OF REFERENCE

A. INTRODUCTION

The Board has established an “Executive Management”. The Executive Management is guided by the following Terms of Reference.

B. ROLE

Without prejudice to more specific provisions herein, the Executive Management will discuss and consult with the Board and advise the Board on the day-to-day management of the Company in accordance with the Company’s values, strategy, general policy and budget, as determined by the Board.

Each of the members of the Executive Management has been made individually responsible for certain aspects of the day-to-day management of the Company and its business (in the case of the CEO, by way of a delegation from the Board; in the case of the other Executive Management members, by way of a delegation from the CEO).

The Executive Management will, in preparation for each meeting of the Board, prepare a report to the Board on the day-to-day management of the Company, to be presented by the CEO to the Board. Such report must contain a summary of all material decisions discussed by the Executive Management over the relevant period.

The Executive Management and its members have the duty to respect all relevant legal provisions, the Articles of Association and this Corporate Governance Charter.

While exercising its advisory responsibilities, the Executive Management will be guided by the interests of the Company and its business.

C. RESPONSIBILITIES

The Executive Management as a Committee shall not have any powers or responsibilities other than acting as an advisory Committee to the Board. The existence of the Executive Management shall in no way influence the powers and responsibilities of the individual members of the Executive Management.

D. COMPOSITION AND APPOINTMENT OF THE MEMBERS

At least all executive directors are member of the Executive Management.

The CEO chairs the Executive Management.

The Chair of the Executive Management may invite certain members of the management of the Company to parts of one or more Executive Management meetings, on ad hoc basis.

The members of the Executive Management must (i) have a sound knowledge of the Company's business and organization structure; (ii) be able to demonstrate relevant knowledge at an executive management level of the tasks allocated to them; and (iii) have an appropriate understanding of the applicable legal rules governing those tasks.

E. APPOINTMENT, DURATION AND DISMISSAL

The Board appoints the members of the Executive Management in consultation with the CEO, based on the recommendations made by the Remuneration and Nomination Committee. The Board will take into account the need for a balanced executive team.

Members of the Executive Management may be legal entities or physical persons. A member of the Executive Management that is a legal entity must appoint a single permanent representative who will represent it at Executive Management meetings.

The Board decides on the duration of the mandate of each member of the Executive Management at the time of their appointment.

The remuneration, duration and the conditions of dismissal of Executive Management members will be governed by the agreement entered into between each member of the Executive Management and the Company (after approval by the Board based on the recommendations made by the Remuneration and Nomination Committee) in respect of their function within the Company.

F. ORGANISATION OF THE EXECUTIVE MANAGEMENT

1. DIVISION OF TASKS

Each of the members of the Executive Management are individually responsible for the tasks delegated to it by the CEO (or, in the case of the CEO, by the Board).

The Executive Management as a Committee does not have any powers or responsibilities other than acting as an advisory Committee to the Board.

2. MEETING SCHEDULE, AGENDA AND NOTICE

The meetings of the Executive Management are held on a regular basis and, as a rule, at least once a month.

Extraordinary meetings may be convened at any time by the Chair or at the request of at least two members of the Executive Management.

The Chair sets the date for meetings, in consultation with the other members of the Executive Management.

The Chair convenes by e-mail, fax or ordinary mail (upon at least three business days' prior notice, or, in case of urgency, to be justified in the notification, upon less than three business days' prior notice),

prepares and chairs the meeting and sets its agenda. If the CEO is unable to attend the meeting, the most senior member (in age) will chair the meeting. The notice will include the agenda.

Each member may demand that certain items indicated by it are included in the agenda (and each member is obligated to include all material decisions that the member has been faced with in connection with the powers delegated to him/her). The agenda items must be sent to the CEO (or the Secretary, if the Executive Management has appointed a Secretary) two business days prior to the meeting, or, in the case of urgency as referred to above, at least twelve hours prior to the meeting. These item(s) will be included in the agenda, or will, as the case may be, be sent to the members by e-mail, fax or mail prior to the meeting.

If all members are present or represented at the meeting, they may unanimously waive the right to receive notice for that meeting.

3. QUORUM

The Executive Management will constitute a quorum when all members have been invited and the majority of the members are present or represented at the meeting. Absent members may grant a power of attorney to another member of the Executive Management. Members may attend the meeting physically or by telephone or video conference.

The absent members must be notified of the discussions in their absence by the CEO (or the Secretary if the Executive Management has appointed a Secretary).

The Executive Management unanimously decides on its report to the Board. If unanimity cannot be reached (e.g., in respect of whether a certain matter should be included in its report to the Board, or in respect of the substance of the reporting on a particular matter), the relevant matter must be separately reported to the Board, with a summary of each of the positions within the Executive Management on the relevant matter.

The Chair may invite third parties to attend a meeting of the Executive Management as an observer.

4. MINUTES

Minutes of the meetings of the Executive Management will be kept by the CEO (or the Secretary if the Executive Management has appointed a Secretary). They must be signed by all members present or represented at the meeting and will be kept on file at the Company's offices. A copy of the draft minutes must be submitted to all members prior to the next meeting. The minutes will be deemed approved if no member lodges any objections at the next following meeting subsequent to the delivery of the draft minutes.

5. CONFLICTS OF INTEREST

Each member of the Executive Management should arrange his/her personal and business affairs so as to avoid conflicts of interest with the Company. Any member of the Executive Management must abide by the rules on conflicts of interests as set forth in Schedule H ("Conflicts of interests") of this Corporate Governance Charter.

6. REPRESENTATION

The Executive Management is represented at the Board through the report delivered by the CEO and approved unanimously by the Executive Management.

The Executive Management as such has no powers to represent the Company.

7. REMUNERATION

The level and structure of the remuneration of members of the Executive Management will be such that qualified and expert professionals can be recruited, retained and motivated, taking into account the nature and scope of their individual responsibilities.

The main terms and conditions of the contracts of the CEO and other executives are decided by the Board based on recommendations made by the Remuneration and Nomination Committee, further to a recommendation made by the CEO to the Remuneration and Nomination Committee (except in the case his/her own remuneration is concerned) and in accordance with the remuneration policy approved by the General Shareholders' Meeting.

The Board will prepare a remuneration policy pursuant to Article 7:89/1 CCA and intends to submit this policy to the General Shareholders' Meeting approving the annual accounts for the financial year ending on 31 December 2020. Upon each material change to the remuneration policy and in any case at least four years, the remuneration policy will be submitted to the General Shareholders' meeting for approval. The Shareholders' vote on the remuneration policy is binding. Remuneration will only be paid in accordance with the remuneration policy approved by the General Shareholders' Meeting. If the remuneration policy is not approved, remuneration will be paid in accordance with the most recently approved remuneration policy or, if there is no approved remuneration policy, the existing remuneration practices.

An appropriate proportion of the remuneration package of a member of the Executive Management will be structured so as to link rewards to corporate and individual performance, thereby aligning the interests of the member of the Executive Management with the sustainable value-creation objectives of the Company. The short-term variable remuneration is subject to a cap.

The criteria for granting variable remuneration to the CEO or any other member of the Executive Management will be included in the contractual or other provisions governing the legal relationship between that person and the Company.

The Board will review, assisted by the Remuneration and Nomination Committee, the Executive Management's performance and the realisation of the company's strategic objectives annually against agreed performance measures and targets. The variable remuneration can only be paid out if the criteria for the reference period have been met. If the criteria are not met, the variable remuneration may not be taken into account in calculating the severance package.

8. DISCLOSURE OF REMUNERATION

The Company's Corporate Governance Statement will include a separate remuneration report, in accordance with Article 3:6, §3 of the CCA, prepared by the Remuneration and Nomination Committee.

9. ACCESS TO ADVISORS

The Executive Management may, at the reasonable expense of the Company, retain those independent accounting, financial, legal and other advisors that it deems necessary or appropriate to carry out its mandate after informing and consulting with the Chair of the Board in due consideration for the financial consequences for the Company.

10. INTERACTION BETWEEN BOARD MEMBERS AND THE EXECUTIVE MANAGEMENT

The members of the Executive Management will timely provide the Board with information, if possible, in writing, on all facts and developments concerning the Company that the Board may need to function, as required, and to properly carry out its duties.

The CEO or, in the event the CEO is not able to attend the Board meeting, another representative of the Executive Management will report at every ordinary meeting of the Board on the material deliberations of the previous meeting(s) of the Executive Management, on the basis of the report approved unanimously by the Executive Management, or specifically on the matters where unanimity could not be reached. The Board may at any time invite members of the Executive Management to attend the meetings of the Board to discuss with them the policies they are pursuing.

At the end of each fiscal year, the Executive Management will draft a proposal for a budget and a business plan of the Company for the next fiscal year. This budget proposal and business plan must be submitted to the Board by the Chair of the Executive Management no later than 15 December each year. The Board may invite the members of the Executive Management to Board meetings to discuss with them the contents of the budget proposal and business plan and to request additional information.

The Executive Management will conduct an annual evaluation to determine whether it is fulfilling its powers and responsibilities in an effective manner. The Chair of the Executive Management will discuss the results of the evaluation with the Board.

The Executive Management will act on the results of the performance evaluation by recognising the strengths and addressing the weaknesses of the Executive Management.

11. DUTY OF CONFIDENTIALITY

Members of the Executive Management must treat all information and documentation acquired within the framework of their positions as member of the Executive Management with the necessary discretion and, in the case of confidential information, with the appropriate secrecy. Confidential information will not be disclosed outside the Board or Executive Management, made public or otherwise made available to third parties, even after resignation from the Executive Management,

unless it has been made public to the Company or it has been established that the information is already in the public domain.

12. DISCHARGE

Immediately following the deliberation on the Annual Activity Report presented by the Executive Management to the Board, the Board will deliberate and decide on the discharge to be granted to each member of the Executive Management for the performance of its mandate during the past fiscal year.

This discharge will only be valid to the extent the information provided by the Executive Management is correct and complete.

D. ROLE AND RESPONSIBILITIES OF THE CEO AND THE MEMBERS OF THE EXECUTIVE MANAGEMENT

A. ROLE

Each of the members of the Executive Management has individually been made responsible for certain aspects of the day-to-day management of the Company and its business. The CEO has been delegated by the Board with the day-to-day management of the Company and with several specific powers, with the power to sub-delegate. The CEO has direct operational responsibility for the Company. The CEO is responsible for the execution and management of the outcome of all decisions of the Board. H.

CONFLICTS OF INTERESTS

A. GENERAL

The Board and the Executive Management must function independently of any instruction of a third party outside the Company. Each Board member should place the Company's interests above their own. The Board members have the duty to look after the interests of all shareholders on an equivalent basis. Each Board member should act according to the principles of reasonableness and fairness.

The Board should act in such a manner that a conflict of interest, or the appearance of such a conflict, is avoided.

Each director should, in particular, be attentive to conflicts of interest that may arise between the Company, its directors, its significant or controlling shareholder(s) and other shareholders. The directors who are proposed by significant or controlling shareholder(s) should ensure that the interests and intentions of these shareholder(s) are sufficiently clear and communicated to the Board in a timely manner.

When the Board takes a decision, board members should disregard their personal interests. They should not use business opportunities intended for the Company for their own benefit.

If the Chair itself has a conflict of interest his/her tasks are performed by the most senior director (in age).

B. CONFLICTS OF INTEREST IN RELATION TO DIRECTORS

Article 7:96 CCA provides for a special procedure within the Board in the event of a personal financial conflict of interest of one or more directors with one or more decisions or transactions by the Board, which the Board will apply.

In the event of such a conflict of interest, the director concerned must inform his/her fellow directors of his/her conflict of interest before the Board deliberates and takes a decision in the matter concerned. Furthermore, the conflicted director may not participate in the deliberation and voting by the Board on the matter that gives rise to the conflict of interest and will therefore not be taken into account for the calculation of the quorum and majority. The minutes of the meeting of the Board must contain the statement and explanation of the nature of this conflicting interest of the conflicted director.

The Board is not allowed to delegate decisions in respect of which one or more directors have a personal financial conflict of interest to, for example, special proxyholders in order to avoid the application of the procedure of Article 7:96 CCA. If all directors, or all but one, have a conflict of interest, the decision or transaction is submitted to the General Shareholders' Meeting; if the General Shareholders' Meeting approves the decision or transaction, the Board may execute it.

The minutes must also contain a justification by the Board for the decision or transaction, and a description of the financial consequences thereof for the Company. The relevant minutes must be included in the statutory annual report of the Board or, in the absence of such report, be deposited together with the statutory financial statements.

The conflicted director must also notify the statutory auditor of the conflict. The statutory auditor must describe the financial consequences of the decision or transaction that gave rise to the potential conflict in its statutory annual audit report.

Where there is a substantial conflict of interest, the Board should carefully consider communicating as soon as possible on the procedure followed, the most important considerations and the conclusions.

This procedure does not apply to decisions or transactions in the ordinary course of business at customary market conditions. It also does not apply to transactions or decisions between companies of which one holds (directly or indirectly) at least 95% of the votes linked to the outstanding securities of the other, and transactions or decisions between companies whereby at least 95% of the votes linked to the aggregate outstanding securities of both companies are (directly or indirectly) held by another company.

C. ADDITIONAL FUNCTIONAL CONFLICT OF INTEREST RULES IN RELATION TO THE DIRECTORS AND MEMBERS OF THE EXECUTIVE MANAGEMENT

The Company imposes on each member of the Board and of the Executive Management that he/she must try to avoid as much as possible the creation of conflicts of interest.

To protect the interests of the Company and its shareholders, the Board has furthermore decided, on a voluntary basis to apply a conflict of interest procedure for functional conflicts of interest of members of the Board or of the Executive Management with respect to matters falling within the competence of the Board or the Executive Management. This procedure is without prejudice to procedures of Articles 7:96 and 7:97 CCA.

More specifically, there is a functional conflict of interest on the part of a member of the Board or of the Executive Management when:

- i. one of the close relatives of the member concerned has a personal financial interest that is in conflict with a decision or transaction that falls within the authority of the Board or the Executive Management; or
- ii. a company that does not belong to the group and in which the member or one of his/her close relatives holds a board or executive management position, has a financial interest that is in conflict with a decision or a transaction that falls within the authority of the Board or the Executive Management.

When such a functional conflict of interest arises with respect to a member of the Board, the member concerned shall inform his/her fellow directors of this at the beginning of the meeting of the Board. They will then decide whether or not the member concerned can vote on the matter to which the conflict of interest relates and whether or not he/she can participate in the discussion of this matter. The minutes of the Board of Directors shall describe how the procedure was applied. No publicity will be given to the application of the procedure.

When such a functional conflict of interest arises with respect to a member of the Executive Management, the matter is submitted to the Board.

D. CORPORATE OPPORTUNITIES

Since the directors of the Company are appointed on the basis of their competencies and experience in the pharmaceutical industry and other adjacent areas of expertise, they may hold directorships in other the pharmaceutical companies or in companies that control pharmaceutical companies, or they may exercise activities in the pharmaceutical industry as a natural person.

It may happen that a transaction submitted to the Board may arouse the interest of another company in which a director holds a mandate. For such cases the Board has decided, on a voluntary basis, to apply a procedure derived, to a certain extent, from the procedure of Article 7:96 CCA on conflicts of interest. This procedure is without prejudice to procedures of Articles 7:96 and 7:97 CCA. If such a situation arises, the director concerned informs the Chair of the Board and the Chief Executive Officer.

Once the risk has been identified, the director concerned and the Chair of the Board, shall examine together, taking into account the interest of the Company, whether or not the director concerned should withdraw from the deliberation and decision-making process concerning the transaction, in which case the preparatory notes shall not be sent to him/her and he/she shall withdraw from the meeting of the Board as soon as the matter in question is being discussed. Compliance with this procedure does not of course release the director concerned from his/her obligation of confidentiality vis-à-vis the Company.

The minutes of the Board shall in such case establish, in general terms, the compliance with this procedure or explain, in general terms, the reasons why it was not applied. As soon as the risk no longer exists, this procedure shall no longer apply. No publicity will be given to the application of the procedure.

E. CONFLICTS OF INTEREST IN RELATION TO RELATED PARTIES

The Board must comply with the procedure set out in Article 7:97, §3-4/1 CCA if it takes a decision or carries out a transaction that relate to a related party within the meaning of the International Accounting Standard 24, as adopted by the European Union (IAS 24), unless the exemptions of Article 7:97, §1, section 4 apply.

The procedure set out in Article 7:97, §3-4/1 CCA also applies to the following proposals the Board submits to the General Shareholders' Meeting:

- i. a proposal for a contribution in kind, including a contribution of a universality or business activity, by a party affiliated with the Company;
- ii. a proposal for a merger, demerger, equivalent transaction as referred to in Article 12:7 CCA with, or a contribution of universality to, a party who is affiliated with the Company.

The procedure set out in Article 7:97, §3-4/1 CCA does not apply when the related party is a subsidiary of the Company, unless it concerns a subsidiary in which the natural or legal person who has direct or indirect control over the Company (if any) holds, directly or indirectly through other natural or legal persons than the Company, a participation representing at least 25% of the capital of the subsidiary in question or which entitles him to at least 25% of that capital in the event of a distribution of profits by that subsidiary.

In accordance with the procedure set out in Article 7:97,§3-4/1 CCA, all decisions or transactions to which the procedure applies must first be subject to the assessment of a committee of three independent directors, which, if it so chooses, shall – or in certain circumstances will - be assisted by one or more independent experts of its choice. The expert is remunerated by the company. The committee issues a written and reasoned opinion to the Board on the proposed decision or transaction, in which it addresses at least the following elements: the nature of the decision or transaction, a description and an estimate of the patrimonial consequences, a description of any other consequences, the advantages and disadvantages thereof for the Company.

The committee discusses the proposed decision or transaction in view of the policy pursued by the Company and indicates whether or not it is detrimental to the Company, it is compensated by other elements in that policy or it is manifestly unlawful. The comments of the expert (if any) will be incorporated into the committee's opinion or added as an appendix.

After having taken note of the advice of the committee provided, and applying, where necessary the conflict of interest procedure set forth in Article 7:96 CCA, the Board shall deliberate on the intended decision or transaction. If a director is involved in the decision or operation, that director may not participate in the deliberation and voting. If all directors are involved, the decision or transaction is submitted to the General Shareholders' Meeting; if the General Shareholders' Meeting approves the decision or transaction, the Board may execute it. The Board confirms in the minutes of the meeting that the procedure described above has been complied with, and, if necessary, justifies why it deviates from the committee's opinion.

The statutory auditor assesses whether there are no material inconsistencies in the financial and accounting information included in the minutes of the and in the committee's opinion with respect to the information available to it within the scope of its mission. This opinion shall be attached to the minutes of the Board.

The Company will publicly announce the decisions or transaction at the latest at the time the decision is taken, or the transaction is entered into.
